Reference: July Monthly Report (6/1/99-6/30/99)

Dear Ms. Anderson:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-On Schedule H2 of your report you disclose the ratio for 313-325-418 to be 35% FEDERAL and 65% NON-FEDERAL. However, your Schedule H4 calculations reflect the ratio to be 15% FEDERAL and 85% NON-FEDERAL. Please amend your report to clarify this discrepancy.

Please note that if your non-federal account has overpaid your federal account because of this miscalculation, it will be necessary to immediately transfer these funds back to the non-federal account. While the Commission may take further legal action concerning any impermissible overpayments by the non-federal account, your prompt action will be taken into consideration.

-Your report indicates that you have received corporate in-kind contributions during this reporting period; however, you have failed to properly disclose the original receipt and disbursement of these in-kinds by your non-federal account(s). Please refer to the following reporting requirements for National Party Committees:

NATIONAL REPUBLICAN CONGRESSIONAL COMMITTEE EXPENDITURES
PAGE 2

In accordance with 11 CFR 104.8(e), a National Party Committee shall disclose in a memo Schedule A, information about each individual, committee, corporation, labor organization, or other entity that donates in excess of \$200 in a calendar year to the committee's non-federal account(s). Furthermore, in accordance with 11 CFR 104.9(c), a National Party Committee shall report in a memo Schedule B the full name and mailing address of each person to whom a disbursement in an aggregate amount or value in excess of \$200 within the calendar year is made from the committee's non-federal account(s), together with the date, amount and purpose of such disbursement.

You should amend this report to fully disclose the corporate in-kind contributions by your non-federal account(s).

-The event year-to-date totals for several events and administrative expenses are incorrect on Schedule H4. This appears to result from the omission of the corporate in-kind contribution amounts from the event year-to-date totals. The in-kind contributions should be included in the totals for the appropriate event(s) (see enclosed pages from the Campaign Guide for Political Party Committees). Please amend this report and any subsequent reports to clarify the event year-to-date totals.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 694-1130.

Sincerely,

Andrea S. Wilkens

"Disbursement" of In-Kind Donation (H4)

Like in-kind contributions, in-kind donations must be reported as both receipts and disbursements so as not to inflate the cash-on-hand balance. (The disbursement side reflects the use or "expenditure" of the resources.) Schedule H4 is used for the disbursement entry, which shows the \$5,000 in-kind donation as a 100 percent nonfederal disbursement. The donor's name and address is disclosed in the box generally used for payees.

Transfer from Federal Account (H4)

The second entry on Schedule H4 shows the contemporaneous transfer of \$2,500 (the federal share of the donation) from the federal account to the nonfederal account. The explanation of the transfer is described in the "Purpose" box, with a reference to the previous entry.

Alternative Reporting Method

To minimize entries and avoid duplication, a committee may use alternative methods to report transactions relating to in-kind donations.

The committee may use one entry on Schedule H3 to show the receipt of all in-kind donations made within the same reporting period for a particular fundraising program or event (or administrative activity).

The committee may also use one entry on Schedule H4 to show total federal payments (transfers) made on the same day for the federal share of in-kind donations.

Example

A committee receives two in-kind donations from prohibited sources for a mixed federal/nonfederal fundraising event, "July Fundraiser":

- Invitations donated by XYZ Printers, Inc. (value: \$3,000) received on July 1; and
- Balloons donated by ABC Balloons, Inc. (value: \$1,000) received on July 15.

The fundraising ratio for "July Fundraiser" is 50 percent federal, 50 percent nonfederal. The federal account transfers its \$2,000 share of the two donations on July 1.

Schedule H3—Receipt of In-Kind Donations

The committee uses one entry on Schedule H3 to show the total in-kind donations for "July Fundraiser" received during the reporting period. The "date of receipt" shows the period during which the committee received the contributions. Schedule H4—"Disbursement" of Donations; Federal Transfer
Schedule H4 shows the "disbursement" of the two in-kind donations by the nonfederal account, each entry identifying the donor and the dates the donations were received.

The third entry shows the federal account's payment for its 50 percent share of the two donations and the date of the transfer to the nonfederal account. The entry refers to the previous two entries to show the transfer relates to those transactions.

"Escrow" Transfer

Advance transfers from the federal account to the nonfederal account to pay the federal share of anticipated in-kind donations are reported on Schedule H3. If known, the particular activity (fundraising program/event or administrative) to which the transfer applies should be noted. If the corresponding in-kind donations are received in a later reporting period, it is understood that the Schedule H3 entry will not be able to list the related Schedule H4 donor entries (showing the nonfederal "disbursement" of the donations).
